

Support Our School

Torah High

is asking you to sign-up and support our school while you do your regular shopping!

In these tough economic times, we have created a \$150,000 fundraising campaign that will help generate financial support for our school without asking anyone for additional money!

Help us sign-up 2000 people by December 31, 2008.

Please fill out ALL the information on this form.

(Make sure the information provided corresponds with your club card registration information.)
